

pewag

- Grade 120 alloy steel offers superior strength
- Fitted with short reach hooks for maximum take-up
- Manufactured with forged steel eye bolts, steel barrel, and cast handle assembly
- All hooks and links are heat-treated to rugged G120 chain standards
- Stamped with working load limit and chain size
- Blue finish indicates grade 120 construction for quick and easy identification
- Meets or exceeds FMCSA and CVSA regulations.
