

# P/S / Eye Grab Hook

Thanks to the special design of the chain contact area, this standard shortening hook ensures optimal interaction between chain and hook. Even when shortened, the load capacity is not reduced.

The product comes with a full operating manual and is suitable for use with Connex and the welded system and can also be retrofitted.

Code	Chain Size	WLL (lb)	e (inch)	b (inch)	d1 (inch)	d2 (inch)	g (inch)	Weight (lbs/pc)	Quantity per package
P/S 7/8	9/32" - 5/16"	5,700	2.56	2.24	0.63	0.47	0.35	0.84	12
P/S 10	3/8"	8,800	3.03	3.03	0.79	0.55	0.47	1.58	12
P/S 13	1/2"	15,000	3.98	3.62	1.02	0.75	0.59	3.43	8
